Lieutenant Governor John Garamendi

Lt. Governor John Garamendi is running for Congress in the 10th Congressional District. His 34 years of public service to California and the nation gives him the experience required to win the district's upcoming special election. He is motivated by the knowledge that the new Congress and administration are positioned to advance the policies for which he has been working for his entire career. As a former Deputy Secretary at the U.S. Department of the Interior and statewide leader of California, he is uniquely qualified to take office and have great impact right away.

John Garamendi is a leader on healthcare, equality, EFCA, job creation, clean-tech, environmental sustainability, peace building and international development issues. His Republican opponent and the Republican Party have put several million dollars into this very important Congressional race.

The election is November 3rd. Join us to meet with John and support his campaign.
